STYLEBOOK

MEN'S WEAR

Our men's dressing solutions include back open shirts, elastic waist pants, magnetic zipper jackets and wheelchair pants for the disabled. They are good for men recovering from an injury, surgery or those who experience paralysis, arthritis and Parkinson's etc.

WOMEN'S WEAR

Our women's adaptive clothing includes outfits with elastic waist pants featuring side zippers paired with coordinating back-snap tops, adaptive dusters, adaptive dresses etc. The clothing options feature snaps, zippers, elastic, velcro in order to simplify dressing and undressing.

PRE-LOVED

Our pre-loved collection consists of adaptive clothes made from clothes donated. We up-cycle them into custom adaptive clothing as per our client's personal sizing & requirements.

OUR STORY

THE CUR8ABLES brings together easy to wear, 'adaptive clothing' designed to address the dressing needs of the disabled. It has been curated by Rainna Goel with a goal to make dressing easier by offering a varied selection of affordable adaptive clothing, accessories and footwear.

From elastic, snaps, magnets,
large buttons, easy zippers,
drawstrings, velcro fasteners
& custom made clothing,
we carry it all!

BACK FLAP TEE FOR POLIO & PARALYSIS

**CUR
01**

The full back overlap t-shirt with two snaps at one shoulder, making it completely openable and avoids pressure points. This design is simple and efficient, making it ideal for the disabled people by providing them functional clothing with styling. This design also aids people suffering from osteoporosis, making self-dressing no struggle.

ADAPTIVE TOP FOR LOCO MOTOR DISABILITY

**CUR
02**

This women's cotton adaptive top is used for those with locomotor disabilities. It's a modern top that is adapted for caregiver's convenience with a back flap and is simply to be worn from the front. The faux metal double snap buttons are placed on the shoulders. This top allows the individual's arms to slide into the garment's sleeves without struggle. This top reduces dressing time for elderly/seniors/disabled women.

SHOULDER VELCRO JERSEY SHIRT

**CUR
03**

This unisex jersey shirt is used as post surgery wear for those with multiple medical conditions such as finger dexterity, arthritis, Parkinson's etc. It has velcro on both shoulders of the shirt, making the garment accessible, as well as an internal strap to hold the shirt while dressing. It allows the patient to wear the t-shirt without having to raise/lower the arms.

WOMEN'S MAXI WITH SIDE OPENING FOR SPINAL CORD INJURIES

Our women's side opening maxi is for wheel chair users and those with limited mobility, or spinal cord injuries. It's lined with velcro running through one side, making it fully detachable right from the shoulder through the length. Wheelchair users and people who are frail or bed ridden will find it easier to dress since the maxi provides ample scope for movement.

ADAPTIVE KURTA WITH CROSS BACK OPENING FOR WHEELCHAIR USERS AND ALZHEIMER'S

Our men's adaptive kurta with cross back opening is used for those with limited mobility, Alzheimer's or arm stiffness etc. This functional cotton kurta has snap buttons on the shoulders, making it easier for people confined to dress themselves. The back overlap is snapped into place on the shoulder snaps.

BACK ZIP PANTS FOR INCONTINENCE

Our back zip pants for incontinence or bladder irregularity have an elasticised waist for extra comfort. The zip is for easy-excretion/passage for incontinent or wheel chair dependent patients. These incontinence pants allow quick and easy changes through the day. These handicapped unisex pants are designed for seated dressing.
